

Engineering Entrepreneurs Workshop

Hawken Auditorium, Engineering House, 447 Upper Edward Street, Spring Hill

HAVE YOU....

.... ever thought of starting your own business, commercialising a product or service, or running your own venture?

YES? Then the Engineering Entrepreneurs Workshop is a great place to get the ball rolling!

The Engineering Entrepreneurs Workshop is a presentation run by Innovation sub-committee of Engineers Australia QLD Division with support by Davies Collison Cave, Patent and Trade Mark Attorneys. The workshop allows like minded engineers to hear from high profile speakers about their commercialisation success whilst joining in a fun but focused entrepreneurial evening!

GUEST SPEAKERS:

- Norm Mathers, Managing Director, Mathers Hydraulics - Winner of the QLD Engineering Excellence Award for Sustainability
- Paul Higgins, Managing Director, Excel Technology Group
- Alistair Smith, Partner and Patent Attorney, Davies Collison Cave, Patent and Trade Mark Attorneys
- Rick McElhinney, Managing Director, Mechpart Pty Ltd

DETAILS:

- Hawken Auditorium, Engineering House, 447 Upper Edward Street, Spring Hill
- Wednesday 3 September 2008
- 5:30pm for 6:00pm start
- There is no attendance fee, but spaces are limited, so please register by 1 September via email to lmooon@engineersaustralia.org.au, fax on 07 3832 2101 or call Lauren on 07 3832 3749
